Dear Valued Agent,

Jetstar's Trans-Tasman Expansion

Our three new Trans-Tasman routes take off for their first flights next month and we're so excited to have Jetstar in these airports! These new services will make it even easier to

experience the best of New Zealand, with direct flights connecting Hamilton to Sydney and the Gold Coast, as well as direct flights from the Gold Coast to Dunedin.

Want to skip the traffic in Auckland and head straight to your destination?

Whether you're heading to Hamilton to explore its vibrant café scene or planning to visit nearby tourist hotspots like Rotorua, Whakatāne, or Taupō, now it's easier than ever—Jetstar's direct flights to Hamilton from Sydney and the Gold Coast start this June.

Avoid the long layovers and land right where the adventure begins.

Starting this June, enjoy the ease of direct flights from the Gold Coast to Dunedin, the gateway to the Otago Peninsula and the spectacular South Island. Whether you're drawn to Dunedin's rich Scottish heritage, dramatic coastal landscapes, or thriving wildlife—including penguins, seals, and albatross—this southern city offers something truly unique. It's also a lively student city with cosy cafés, craft beer, and a buzzing arts scene. From here, the South is yours to explore.
